

# LGBTQ+ BOOK DRIVE

In light of the recent anti-trans legislation throughout the country, the increased number of book bans targeting LGBTQ+ and BIPOC voices and the current proposed H.R. 7661 Bill, we feel it is imperative for us to make Queer books accessible in our communities.

On April 25<sup>th</sup> through May 30<sup>th</sup>, join CNY Little Free Libraries and Team LFL-Central New York as we collect new and gently used LGBTQ+ books of all ages and genres to distribute for free throughout CNY. We will also be sending a box of books to four LFLs in states hardest hit by the recent anti-trans laws and book bans. Help us lift up and shine a light on Queer voices. Because you and your story matters!

## Who we are

Monetary Donations are used exclusively to purchase books and materials for our book drive. If your organization partners with First Book Marketplace, we have a wishlist there as well (contact us for details).

## Public Library Book Sales and Withdrawals

We love Public Libraries! Library book Sales are one of the best sources for stewards to restock their LFLs. Most libraries have an ongoing book sale of weeded books that can range from \$.25-\$2.00. And others have yearly sales where books are purchased individually or by the bag.

Check your local library to see if they have books available to purchase. We will take any LGBTQ+ book in good condition. Our wonderful group of volunteers are pros at removing the plastic library binding and stickers--giving the book a brand new life. You can also speak to your local Friends of the Library group to see if they would be willing to donate Queer books to us directly.
